Dear Mr. Dotson:

Please consider this email to be a request for public records.

I would like to receive the same public records previously delivered as part of a FOIA request made by Mr. Roy McCampbell. On August 16, 2013, Mr. McCampbell requested many public records. I am requesting ONLY those public records which were delivered to Mr. McCampbell in response to the second to last request (Number 31? on page 4 of 5). That request was: " All documents related to any tax objections against Schiller Park School District 81 for the period of January 1, 2000 til August 16, 2013, including but not limited to correspondence, emails, all court documents, settlement agreements." Please do not send ANY of the other records he had requested!

Given the fact that Mr. McCampbell had requested these records to be delivered in pdf format and the request was handled very recently, I hope that there will not be a long delay in your office forwarding to me the pdf file(s). In fact, I am hoping to get the email attachments today, if possible.

In addition, since the delivery will be in electronic format (pdf), there should not be any fees. Also, I believe I am to inform you that this is NOT a request for commercial purposes.

If you have any question, please contact me at your convenience.

Thank you in advance for your assistance with my request.

Cordially,

Rebecca Davis
