Dear Dr. Boryszewski:

This is a request under the Illinois Freedom of Information Act.

I am sending this FOIA request to all public school districts in the greater Chicago, Illinois area, including Schiller Park SD 81.

I would like to find out:

1) Does Schiller Park SD 81 currently have any leases or agreements with telecommunications providers for cellular antennae and/or towers installed by the provider on your school property?

2) If so, I would like copies of all current lease agreements, including documents showing:

a. the location(s) of all cellular antennae and/or towers on Schiller Park SD 81's school property, and

b. the amount paid to the school district each year by the telecommunications company.

If you don't lease any of your school property to telecommunications providers for their towers or antennae, I would appreciate it if you could send me a quick e-mail reply, just letting me know that.

But if your district does currently have such leases, please send the current agreements to me at [katy.smyser@nbcuni.com](mailto:katy.smyser@nbcuni.com). If for some reason you cannot send these agreements via e-mail, please let me know as soon as possible, so I can make arrangements to get them from you. And if there is any way in which I can help gather these documents or otherwise assist you in getting this information and documentation, I

would be happy to do so.

Because these records are in the public interest, I ask that you waive any reproduction fee. And if you deny this request, please tell me on what grounds, and to whom I should appeal.

If you have any questions concerning this request or need any additional information, please don't hesitate to contact me at [katy.smyser@nbcuni.com](mailto:katy.smyser@nbcuni.com) or at 312-836-3187.

Thank you so much for your time and consideration in this matter.

Sincerely,

Katy Smyser  
Producer
