Dear Parent/Guardian,

Welcome to District 81! To successfully enroll your child to attend one of our three outstanding schools, you will need to complete a **three-step process** in which you 1) fill out and submit the required registration documentation 2) prove that you reside within the boundaries of the school district 3) payment of registration fees

(1) Online Registration: Registration is available online. Parents/Guardians will need to visit www.sd81.org and click the PARENTS headings. In Registration Information, please click the blue NEW STUDENT REGISTRATION button where you will complete the Pre-Registration for Enrollment form. Upon approval, you will then receive an email with your access ID and passcode. Please use this information to create *your own* account in the Parent Portal of PowerSchools. You will create your own username and password. Please keep this information safe, as we cannot see the password that you choose for yourself. A reference guide can be found on our website to assist you with completing the online registration.

(2) In-Person Residency Verification: Annually, SD81 verifies that students reside within District 81 boundaries. To do this, please provide three proofs of residency (one from each category), accompanied by the attached Proof of Residency Form. Families requesting an affidavit may print off the forms via our district website (at the bottom of [the Registration page](#)).

New families must make an in-person appointment to verify residency documents, as well as obtain a copy of the child's original birth certificate. Residency verification for all **NEW FAMILIES** will take place at Lincoln Middle School on Wednesday, July 31st (11am-6pm) and Thursday, August 1st (9am-1pm). To secure a residency verification appointment, call the school office or email the building principal.

(3) Fee Payment: Please plan to pay registration fees, including the technology lease (Cash, Check or Credit) during your in-person appointment.

Your child will not be placed on a class list until registration is complete, including payment of fees.

If you have questions or cannot complete the steps above, please call the school offices or contact your building principal via email.

If you have any additional questions, please feel free to contact me.

Sincerely,

Kimberly Boryszewski Ed.D
Superintendent of School
